Re: **United States v. Paul Calder LeRoux,**  
**S1 12 Cr. 489**

Dear Judge Gorenstein,

On September 26, 2012, a superseding indictment, S1 12 Cr. 489, was returned by a grand jury sitting in this District and filed under seal. The superseding indictment charges the defendant, Paul Calder LeRoux, with one count of conspiring to import methamphetamine and to distribute methamphetamine knowing and intending that it would be imported to the United States, in violation of Title 21, United States Code, Sections 952, 959, and 963. The defendant has been arrested in connection with these charges and, accordingly, we request that the superseding indictment be unsealed and wheeled out to a district judge so that the defendant may be presented and arraigned on the charges. This request applies only to the S1 superseding indictment.

Respectfully submitted,

PREET BHARARA  
United States Attorney for the  
Southern District of New York

  
Michael D. Lockard  
Assistant United States Attorney

Graded,
